

Goldmining in & near Indigenous and maroon territories

Impacts on Wayana & a Kwinti community, cross border issues

Water pollution

Water pollution

Destruction of Environment

In & surrounding waters of community

Aliens in Community

Experiences of Kwinti

- Reporting illegal activities
- Government is responsible for protection of Central Suriname nature reserve
- Government is not visible in this large area
- Community numerous times asked for co-management under certain conditions

Conditions:

- Compensation (CSNR is on land of Kwinti)
- Financiering voor Bescherming // co-management
